Fundraising

Funds used primarily for **equipment, uniforms, meet entry fees, and this year some overnight lodging expenses**

We have about 75 athletes, and need about \$7500 per season

We have two major fundraising efforts:

- **Schoolfundr** (basically a GoFundMe model) – better than SnapRaise, extremely low transaction fee; will kick-off next week.
 - Or you can also make a **direct contribution** to T&F account if you would prefer to opt out of Schoolfunder participation.
- Staff a **volunteer crew** for Windsor Half Marathon / 10K / 5K on May 16 – fun way to connect with others while raising a meaningful proportion of our annual budget

Volunteers are Crucial to Our Success - **“Many Hands Make Light Work”!**

- Home Meet Hosting (NBL Meets 4/1 & 4/22) –
- NBL FINALS 5/5 and 5/7
 - easy and fun, close to the action - *requires a willingness to learn a simple job to help in future meets and to train future volunteers*
- Fundraising – May 16 Half Marathon Event
- Season End Celebration – awards and pizza party!
- Car-Pool Drivers to Meets
